Sripriya S

About Me

Dedicated problem-solver with a strong foundation in programming. Eager to leverage my technical skills to contribute to innovative software solutions and collaborate effectively within a dynamic team environment.

Internships

Assyst International pvt ltd (PanApps International pvt ltd)
Ernakulam, India

05/2023 - 05/2023

- Utilized HTML, CSS, JavaScript, and Bootstrap to build functional web applications.

Projects

- Developed **Seguro**, a comprehensive car rental website using HTML, CSS, JavaScript, PHP, and MySQL. Implemented a user-friendly booking system, and real-time inventory management. Contributed to the design and development of the website's front-end and back-end components.
- Developed a **low-cost smart wheelchair** using Arduino and C. Implemented voice control and joystick control for intuitive operation. Integrated fall detection and health monitoring features to enhance safety and provide valuable medical data. Successfully implemented obstacle avoidance using infrared sensors to prevent collisions. Contributed to the design, development, and testing of the wheelchair's hardware and software components.

Certified Courses

- Digital Circuits: NPTEL Online Certification
Jul-Oct 2022
- Digital Electronic Circuits: NPTEL Online Certification
Jan-April 2023

Achievements

- Actively participated in Arts Program conducted at college level.
- Presented Paper in Second National Conference on Emerging Technologies in Smart Systems
- Actively Participated in Engineer's Day Quiz organized by rotaract club of MITS
- Successfully attended Snapchat Lens Studio Workshop hosted by the Snapchat Opinion Leader Community
